

Informed Consent

Thank you for participating in this study!

Below, you can leave any comments you have about the study and your experience.

Participant ID

Positive aspects of your experience/your participation in this study.

Negative aspects of your experience/your participation in this study.

Other observations:

Would you like to be contacted with opportunities to participate in future studies?

☐ I would like to be contacted about future studies from this or similar research laboratories at Cornell University. I am aware that I will be able to unsubscribe/withdraw consent at any time in the future.

If yes, please leave us your preferred email address to be contacted for studies

In order to evaluate the possibility of participating in in-person studies, you can also provide information about your place of residency
